(a) Students who are currently enrolled in and studying at HSRM can take the LLZ's UNIcert II program – Advance Your English. The course and exam must be taken in the semester before the semester when you apply to the program. E.g. if you wish to start your studies in winter semester 2026/27, you must submit your application in the middle of summer semester 2026. So, you need to pass the UNIcert II course in winter semester 2025/26. Please contact the LLZ for more information about the course.

(b) The Oxford Placement Test is a placement test and not a proficiency test. For this reason, it cannot be used as proof of B2+ level for enrollment purposes.
