

RheinMain University of Applied Sciences English Taught Courses

Open to all Exchange Students

German as a Foreign Language	Hallo Deutschland: Geschichte, Kultur, Politik & Wirtschaft (German B2)	Business English/English for Real Estate Management	English for Heritage Conservation
Media English	English for Architects	English for Civil Engineers	English for Interior Architects
Technical English	Business English	English for Designers	

Faculty of Architecture and Civil Engineering

Real Estate Management (B. Eng.)

International Real Estate Development (5 ECTS)**

International Real Estate Economics (5 ECTS)**

Thesis

Architecture (B.Sc./M.Sc.)

Projects/Theses

Environmental Management and Urban Planning in Metropolitan Areas (M.Eng.)

Master's Thesis

Civil Engineering (B.Eng./M.Eng.)

Lab/Thesis

Baukulturerbe (B.Sc.)

The History of Urban Planning (2 ECTS)

Special Areas of History of Architecture II (2 ECTS)

Architectural Heritage Conservation in an International Context (4 ECTS)

Historic Urban and Cultural Landscapes (2 ECTS)

Projects/Thesis

Mobility Management (B.Eng.)

Projects/Thesis

Faculty of Engineering

Mechanical Engineering (B.Eng.)

Vehicle Development (2 ECTS)*

Electrical Propulsion System (2 ECTS)*

Bio and Environmental Technology (M.Eng.)

Laboratory course analytical chemistry (1 ECTS)*

Biological Waste Gas Treatment (4 ECTS)**

Biomass for Industrial Energy and Renewable Compounds (5 ECTS)**

All courses are subject to change.
* taught only in winter semester
** taught only in summer semester

English Taught Courses

Faculty of Design Computer Science and Media

[Click here for our course descriptions.](#)

Media: Conception and Production (B.A.)	Media and Design Management (M.A.)	Interior Architecture (B.A.)	Interior Architectur (M.A.)
Intercultural Communication (3 ECTS)	Operational Marketing (4 ECTS)	Design Project (15 ECTS)	Design Project (15 ECTS)
Equipment and Workflows (6 ECTS)	Sales Management (4 ECTS)	Charette (4 ECTS)	Charette (5 ECTS)
Project and Event Management (3 ECTS)	Telecommunications Management (4 ECTS)	Architectural History I (3 ECTS)*	
Audio and Video Productions (15 ECTS)	Digital Media Production Engineering (4 ECTS)	Architectural History II (3 ECTS)**	
Design Workflow (3 ECTS)	Digital Media Production Design (4 ECTS)		
	Research Methods (2 ECTS)		
	Scientific Writing (1 ECTS)		
	Concept Development and Design (4 ECTS)		
	User Experience Design (4 ECTS)		
	Mobile Business Solutions (4 ECTS)		
Communication Design (B.A.)	Computer Science (B.Sc.)	Computer Science (M.Sc.)	Media Computer Science (B.Sc.)
Design Projects (9 ECTS)	Research Project/Internship in a lab	Research	Bachelor's Thesis
Design Techniques (3 ECTS)	Thesis	Selected Topics of Computer Science/Computer Vision	
Presentation Techniques (3 ECTS)	Information Systems (B.Sc.)	Thesis	
	Thesis		

All courses are subject to change.
* taught only in winter semester
** taught only in summer semester

English Taught Courses

Wiesbaden Business School

International Management (B.A.)

Accounting/Controlling II –
Management with Key Performance
Indicators (5 ECTS)

International Economic Relations I –
Development Policy (5 ECTS)

Financial Management II – Financial
and Risk Management (5 ECTS)

Marketing II – Internationalization
Strategies in International Marketing
(5 ECTS)

Business in English I – Management
Communication (5 ECTS)

Business in English II –
Fundamentals of Business (5 ECTS)

Business in English III – Business
Functional Areas (5 ECTS)

Business & Law (LL.B.)

Business in English III – Law
(2 ECTS)

Business in English IV – Taxes
(2 ECTS)

Business Administration (B.A.)

International Economics –
Macroeconomics/Exchange
Rates/EU-Integration (6 ECTS)

Business in English I – Management
Communication (3 ECTS)

Business in English II – Introduction to
Business (3 ECTS)

Business in English III – Management
Skills – Analyzing Financial
Statements (3 ECTS)

Business in English III – Business
Functional Areas (3 ECTS)

International Business – International
Business Strategy/Economic
Environment of International Business
(6 ECTS)

Insurance and Finance (B.Sc.)

Business in English III – Language of
Finance (5 ECTS)

Language of Insurance (5 ECTS)

All courses are subject to change.
* taught only in winter semester
** taught only in summer semester

Bilingual Courses (German/English)

Faculty of Engineering

Environmental Engineering (B.Eng.)

Enzyme Technology (2 ECTS)

Cleaner Production (3 ECTS)

Wastewater Treatment (7 ECTS)

Waste Management (5 ECTS)

Bio and Environmental Technology (M.Eng.)

Recycling Management (5 ECTS)**

Industrial Engineering and International Management (B.Eng.)

Business Game "General Airline Management Systems" (4 ECTS)*

Applied Mathematics (M.Sc.)

Financial Mathematics I (6 ECTS)*

Financial Mathematics II (6 ECTS)**

Industrial Engineering and International Management (M.Eng.)

Advanced Management Strategy (3 ECTS) **

Advanced Supply Chain Management (3 ECTS) **

Faculty of Design Computer Science Media

Computer Science (B.Sc.)

Elective Project (15 ECTS)*

Specialized Seminar (5 ECTS)

Computer Science (M.Sc.)

Parallel and distributed algorithms (10 ECTS)**

The Internet of Things (5 ECTS)*

Masters Project (15 ECTS)

Specialized Seminar (5 ECTS)

Media Computer Science (B.Sc.)

Software Engineering Project (10 ECTS)*

Specialized Seminar (5 ECTS)

Information Systems (B.Sc.)

Elective Project (15 ECTS)*

Specialized Seminar (5 ECTS)

Media Management (B.A.)

Design & Technology Seminar Audiovisual (3 ECTS)

Design & Technology Seminar Interactive (3 ECTS)

Media Business Seminar (3 ECTS)

All courses are subject to change.
* taught only in winter semester
** taught only in summer semester

Bilingual Courses (German/English)

Faculty of Architecture and Civil Engineering

Architecture (B.Sc.)

Design Studio A: Space and Form – Project A (8 ECTS)
Design Studio B: Space and Function – Project B (8 ECTS)

Design Studio C: Volume and Structure – Project C (8 ECTS)

Design Studio D: The City and the Urban Realm – Project D (8 ECTS)

Design Studio E: Building and Program – Project E (8 ECTS)

Civil Engineering & Construction Management (M.Sc.)

Project 1 (K) – Civil Engineering (6 ECTS)

Project 2 (K) – Civil Engineering (6 ECTS)

Project 1 (B) – Construction Management (6 ECTS)

Project 2 (B) – Construction Management (6 ECTS)

Internship in a Lab

Architecture (M.Sc.)

Design Studio A: Preserve – Project A (16 ECTS)**

Design Studio B: Adding – Project B (16 ECTS)*

Design Studio C: Transformation – Project C (16 ECTS)**

Design Studio D: Paste – Project D (16 ECTS)*

Environmental Management and Urban Planning in Metropolitan Areas (M.Eng.)

Interdisciplinary Project (10 ECTS)

Baukulturerbe (B.Sc.)

Project A: Space and Form (8 ECTS)

Project B: Researching and Publishing (8 ECTS)

Project C: Maintaining and Building (8 ECTS)

Project D: Developing and Supporting (8 ECTS)

Project E: Restoring and Refurbishing (8 ECTS)

Civil Engineering (B.Eng.)

Project in a lab (5 ECTS)

Mobility Management (B.Eng.)

Geoinformatics and Geographical Information Systems (5 ECTS)**

Project A: Appraisal and Evaluation of Mobility Needs (5 ECTS)**

Project B: Developing Mobility Concepts (5 ECTS)*

Project C: Organizing Mobility Management Processes and Designing Mobility Services (10 ECTS)**

All courses are subject to change.

* taught only in winter semester

** taught only in summer semester
