How can I find language courses on the Stud.IP platform?

There are basically 2 ways to find courses on Stud.IP:

1. Click on "Courses" and then on the next screen, under "My institutes", on "Sprachenzentrum".
2. If you know the course number or name, type it in this little box, and then click on the drop-down item you'd like to look at.

Click here on "Courses" and you will see a list of Language Center classes.
Course details can be found on Stud.IP several weeks before classes begin. The starting date for course registration is always announced in advance:
- on the Language Center homepage (www.hs-rm.de/Sprachen) under „Aktuell“ or „About Us“
- on Facebook (www.facebook.com/SprachenHSRM)
- or on our flyers and posters each semester.
